About Ybrant

Ybrant Stress Free IIT/NEET foundation SCHOOL is an initiative of Prof. Radhakrishna, a highly renowned and respected figure in India's education field, particularly as an IIT -JEE Maths trainer and mentor. With an impressive experience of 34 years, his expertise and guidance have led to remarkable achievements. He holds the distinction of producing over 22 single-digit rankers in the prestigious IIT-JEE examination. Additionally, he is credited with the remarkable feat of achieving the first-ever All India 2nd rank in the Telugu states, a testament to his exceptional teaching methods and dedication. Under his leadership, thousands of students have successfully secured admissions to the esteemed IITs and NITs, showcasing his ability to inspire and guide aspiring engineers towards their goals. His guidance to the NEET aspirants also is quite remarkable that many of the students cracked NEET examination and studying in prestigious medical colleges in INDIA.
